

## WORLD CLASS SKIN HEALTH IS HERE!

At ZO Skin Centre, we offer a wealth of products, services, and treatments to help you achieve healthy, youthful skin. We base everything we do on the philosophies and innovations of Dr. Zein Obagi, the world's preeminent authority on Skin Health.

This translates into comprehensive skincare programs that deliver real and maximum result. Now, we're bringing the power of our expert physicians, ZO products, programs, and protocols directly to you.

Let's get started.  
You're going to love your skin!

## GENERAL INFORMATION

### CANCELLATION

Treatment times are reserved especially for you. We kindly request that cancellations or changes to appointments be made at least 24 hours in advance for a single service and 48 hours in advance for multiple services. A \$50 service charge will be applied to your credit card for failure to follow this policy.

### GIFT CARDS

Gift cards are an excellent way to give the gift of skin health, relaxation, and beauty to the special people in your life. You may purchase gift cards at the front desk, or by phone. Gift cards are not redeemable for cash.

## SERVICES + TREATMENTS

## ZO® FACIAL TREATMENTS

### ZO® Spot Free

Want clear skin free of breakouts? We focus on deep cleansing pores, extractions, and our exclusive Sulfur Masque that targets acne-causing bacteria and surface oils, and continues to work well beyond the treatment. We end with a LED light treatment to soothe and to calm the skin.

### ZO® Bright Alive!

This potent, specialized treatment targets uneven skin tone, sun damage, and skin discoloration. Microdermabrasion and our exclusive brightening mask result in a clear, more luminous complexion. Your skin's future is looking bright!

### ZO® Glo & Go

Enjoy the perfect "lunchtime" peel with no downtime. This revolutionary beta/alpha acid spa peel stimulates cellular turnover, reducing fine lines and wrinkles, and improving overall skin tone, texture, and clarity.

### ZO® Lights, Camera, Action

An innovative, in-office treatment peel targeting melasma, acne, fine lines, rough texture, large pores and dullness. Followed by an at-home treatment that produces longer lasting results than ordinary peels. Suitable for all skin types.

### ZO® Thirst No More

Hydrate, restore, calm. This treatment is designed specifically to target dry, dehydrated skin. With aloe and hyaluronic acid, your skin is left soft, revived, and healthy.

### Hydrafacial® Glo Getter

Patented technology using gentle suction to cleanse, extract and hydrate. Includes red and blue light therapy

### Hydrafacial® United We Glo

Hydrafacial® Basic with ZO® Brightalive Booster or Rozatrol Booster. Includes red and blue light therapy, with lymphatic massage.

### Add-ons:

#### Dermaplane

Gentle exfoliation that leaves skin with a smooth texture.

#### PRP

This therapy stimulates new cell growth, helping to improve your complexion, skin texture, and restore lost facial volume.
